About PLEXCONCIL

Established since 1955, The Plastics Export Promotion Council- PLEXCONCIL -is a non-profit, apex plastic export trade body sponsored by the Department of Commerce, Ministry of Commerce and Industry, Government of India. PLEXCONCIL is engaged in promoting India worldwide as a major sourcing hub of quality plastic products and endeavours to open new avenues across the globe to promote and boost the growth of Indian plastic exporters.

With over 2700 members exporting plastic products to 200 nations, PLEXCONCIL represents manufacturers and exporters of a wide spectrum of plastic items from plastic raw materials to semi-finished and finished items equalling international quality standards. For more details on membership, benefits of participating in exhibitions through PLEXCONCIL, and information on Government export promotion schemes, please visit: www.plexconcil.org
