INTERNATIONAL EXHIBITION &
CONFERENCE ON **INNOVATIONS** IN
RAIL TRANSPORTATION

BACKGROUND

The **Confederation of Indian Industry (CII)** has been **organizing the International Railway Equipment Exhibition (IREE) - Asia's largest event** for the Railway Transportation sector - since 1990, in association with Ministry of Railways, Government of India. Keeping in view the **continuous modernization initiatives of Indian Railways** to sustain a **competitive and safe rail transportation system in the country**, and in line with the objectives as laid down by the **National Innovations Council (NIC) for Indian Industry, CII and RDSO (Research Designs and Standards Organisation)** have initiated a platform with **exclusive focus on innovations in Indian Railways in 2014.**

INNORAIL INDIA 2022

This **international exhibition and Conference** is the fifth edition. The first edition was in **December 2014**. The second and third editions were held in 2016 and 2018 respectively. The fourth edition was held in a virtual platform in 2020 due to the pandemic. This new initiative of **CII, in association with RDSO, is aimed to provide a neutral platform** for all stakeholders of the **railway sector to come under one roof for an effective business networking** with key people from across the globe. **The exhibition will be an ideal platform for the industry to display latest technological advancements, innovations, related products, and technical services**, while providing an opportunity for the **Indian Railway units**, to showcase their **future requirements, visions and innovations**. **Concurrent events – conference/panel discussions, B2B meetings** – will create a forum for exchange of ideas amongst experts in this field.

INNORAIL INDIA OBJECTIVE

- ▶ Create a **neutral platform amongst Industry & RDSO** for sharing of knowledge.
- ▶ Identify and address the **needs of innovations in Indian Railways**.
- ▶ Make it an **event for exclusive display of innovative products** and services from across the globe to help **increase efficiencies, competitiveness, safety**, and service levels in the **ever-expanding Indian Rail Transportation Sector**.

The event will bring exhibitors and visitors from the world over with a focus on continuous modernization and expansion of Indian Railways.

Confederation of Indian Industry

The Confederation of Indian Industry (CII) works to create and sustain an environment conducive to the development of India, partnering Industry, Government and civil society, through advisory and consultative processes.

CII is a non-government, not-for-profit, industry-led and industry-managed organization, with around 9000 members from the private as well as public sectors, including SMEs and MNCs, and an indirect membership of over 300,000 enterprises from 286 national and regional sectoral industry bodies.

For more than 125 years, CII has been engaged in shaping India's development journey and works proactively on transforming Indian Industry's engagement in national development. CII charts change by working closely with Government on policy issues, interfacing with thought leaders, and enhancing efficiency, competitiveness and business opportunities for industry through a range of specialized services and strategic global linkages. It also provides a platform for consensus-building and networking on key issues.

Extending its agenda beyond business, CII assists industry to identify and execute corporate citizenship programmes. Partnerships with civil society organizations carry forward corporate initiatives for integrated and inclusive development across diverse domains including affirmative action, livelihoods, diversity management, skill development, empowerment of women, and sustainable development, to name a few.

As India completes 75 years of Independence in 2022, it must position itself for global leadership with a long-term vision for India@100 in 2047. The role played by Indian industry will be central to the country's progress and success as a nation. CII, with the Theme for 2022-23 as Beyond India@75: Competitiveness, Growth, Sustainability, Internationalisation has prioritized 7 action points under these 4 sub-themes that will catalyze the journey of the country towards the vision of India@100.

With 62 offices, including 10 Centres of Excellence, in India, and 8 overseas offices in Australia, Egypt, Germany, Indonesia, Singapore, UAE, UK, and USA, as well as institutional partnerships with 350 counterpart organizations in 133 countries, CII serves as a reference point for Indian industry and the international business community.
